All families are welcome!

On Monday, we had a delivery of 10 eggs to Reception Class. The eggs were placed in an incubator and the children patiently waited for any signs of them hatching. On Wednesday, the first egg finally hatched and we named him 'Tom'. Over the next 24 hours, another seven eggs hatched; it was incredible to see.

The chicks have now been moved from their incubator into their brooding box. This will give them a much larger living space whilst still providing lots of warmth like their incubator. Check out our Facebook page for more updates!

Please can you ensure that when bringing in achievements for Friday's Praise Assembly, you bring them in before Thursday afternoon. Thank you.

Thank you to all the Parents and Carers who attended the Parent Conference meetings this week. It was uplifting to see so many families engaged. Many staff commented to me on the positive meetings and kind words expressed. Parents also spoke to me personally to pass on their appreciation to everyone connected to the 'St Bernadette's family.'

Year 1 have been doing some taste and smell tasks. The children were tasting different foods and smelling different things to then describe them. They spoke about foods being sweet, sour, bitter, salty etc. One of the foods they were tasting was lemons and their reactions and responses were fantastic! Check out the Year 1 class page [here](#) for more brilliant pictures!

Thank you to all the families who supported our book fair. We have made approximately £350.00 worth of sales, which is fantastic! Every book sold at our book fair helps to earn free books for our school so we really appreciate you all getting involved.
