HSBC Money Management Workshop- KS2

KS2 were fortunate this week to welcome Denise from HSBC who taught the children all about the world of work and finances. She explained why people go to work, how people get paid, the choices we make around work and money and how work can impact our lives. Children learned about how people are paid for the work they do, how to decipher a payslip and how to keep their money safe. They were also taught about essential outgoings versus an income and how to prioritise their spending. The children listened well and really engaged with the sessions. Fantastic work, everyone!
